HOMECOMING

This year's Homecoming Week was a mixed bag from an athletic point of view with the only teams to come up on the winning end being the Varsity Soccer team, who ended in a tie against Loyola and in a 1-0 victory against Brother Rice. Also winning were the Sophomore Football Rams as they rolled over Mt. Carmel 18-8. On the losing end were the Varsity Football Rams and Freshmen Football and Soccer teams.

On the other hand, Homecoming Week was a success from an entertainment point of view. Among the many activities were the Prep Rally, Homecoming Dance; at which Terri Plasencia of Madonna High School was crowned Homecoming Queen, and the Homecoming Parade leading up to the Game. As Prep Rallys go this one was very good. The highlights consisted of Coach Wynn receiving a pie the hard way. The Mr. Galluzzo contest and skits based on the theme of "Friday Night Live." The Homecoming Parade featured floats from the Spanish Club, the Freshmen, the Fathers Club, Italian Club, and Bike Club. As usual, all elements combined to make for a memorable Homecoming Week.

Coach Wynn awaits his fate, after being chosen by a vote of the student body to be the teacher who should receive a pie in the face.

With fourteen returners, which includes both goalies, the "Skating Rams" have an excellent chance to improve their record and possibly win their Division in the upcoming 1980-81 Season.

FOOTBALL VARSITY

The football season at Gordon started after last year's Christmas break. The work we do in our off-season isn't always fun when you consider that you have to get up at 6:00 so that you can be at school at 7:00 in the morning to run agility. After school you either weight lift or take part in some other school activity. Once spring started we got two weeks off because workers clean the weight room, but when we came back we had to start lifting again. There is a lot of competition mainly because we got tested every two weeks on a particular machine. If you score over the weight that is required for your weight class or if you got the highest, or heaviest lift, you would receive an orange sticker to be placed on a bulletin board. At the end of spring lifting, a person who received orange stickers on 80% of the testings would receive special prizes and privileges. This doesn't mean that they get to start when the season comes along, but what it does mean is that a person, who has been lifting and working hard has an advantage over a person who hasn't. It also gives the coaches an easier time picking starters when there are two people to choose from. This is all part of the season.

Most people, however think our football season starts in August when we start doubles. Doubles start with a meeting at around 8:15 where we learn our offensive and defensive plays. After the meetings we get dressed and are supposed to be on the field between 9:15 to 9:30. We practice until about 11:30, and then go back to Gordon for lunch. Linebackers and Big three will eat first or the Defensive backs and ends will. Whoever eats first, the other group has to lift before they eat. After everybody is finished we have about an hour for sleep or free time. We start the next practice at around 2:30 after meetings. Practice usually ends around 4:30 and 5:00. We do the same thing for ten days.

There were a lot of changes for the 1979-1980 Football Rams. The first change was the coaching. Coach Jerry Jasinski moved up to Varsity Big Three Coach and Coach Dan Zajac moved to the Coach of Sophomore Big Three. Another change was our running to get in shape. Instead of doing Power Training, that is: two groups run around the football field in less than a minutes time, while the other two groups were doing drills on the field. The new running exercise was called Interval Running which is 160 yards long. You must make it around the cones in less than 30 seconds, after you do that four times which is 1 set. Usually we would run four sets after practice. The biggest change that we made was with our defense, instead of running a defense with a monster man we had two safeties with ½ coverages. This is a defense which is used in college. Our

defense would be dynamite if everybody did their job.

Every year since I have gone to Gordon we always have had a good start. The 1979-1980 Football Rams started the season against St. Patrick. The score of the game was Gordon Tech 18 and St. Patrick 6. The big stars of the game were Pat McAvoy, defensive linebacker; Mark LaFramboise, offensive tackle, and defensive tackle; Bernie Lyons, defensive end; and Joe Luciano, defensive nose guard, and offensive guard. These four were the Bad Cat Award winners. The Bad Cat is the best award that you can receive.

Other awards you can receive are: offensive line, offensive back, specialist, hustle, hard hit, and the scouting award. Another award which we just started this year is the iron man award, which tells us that a teammate plays with pain. Everybody plays with pain in a game, but to get the Iron Man award you have to play with pain that is extraordinary pain. There were Graczyk, Glen Zyks, and Bob Wassinger.

The second game was against Holy Cross. We won 14 to 0. Our Bad Cat winners were Doug Howard, offensive back; Bernie Lyons, offensive end.

The third game was against Brother Rice. It was one of our biggest wins to me because they looked and were so much bigger than us. But we out ran them and won 6 to 0. The Bad Cat winners were Bob Wassinger, defensive end and offensive end; and Tom Graczyk, offensive and defensive back.

The fifth game was the most defensive game we played the whole year. Neither our offensive nor Weber's offense could score a point until John McAndrew from Weber ran back a punt return for a touchdown which gave Weber the lead to win the game 0 to

7. The Bad Cats for that game were: John Jensen, defensive linebacker; Cary Lewandowski, defensive back; and the whole defensive unit.

The fourth game was a heart breaker that we lost on a field goal in the first half. We lost 3 to 0 but we walked off the field proud because we played one of our best games. The Bad Cat winners were Pat McAvoy and Tom Graczyk.

The sixth game was not a fun one. Fenwick out classed us 30 to 6. The Bad Cat winners were: Carl Dumele, offensive guard and defensive linebacker; and Tom Graczyk, who also received the Iron award with Glen Zyks.

The seventh game was a morale booster for us coming off a big loss against Fenwick, but we came back and beat Leo 21 to 0. The Bad Cat winners were Pat MacAvoy and Todd Nelmark, defensive tackle.

The eighth game was a fight for the playoffs. If we would have beaten Loyola we could have knocked them out of the playoffs; but we lost. The final score was 24 to 14. The Bad Cat winner was Tom Graczyk.

The last game of the season was the most important game to the Seniors. This game meant either a winning season or a losing season. Everybody on the team came out to win that game with their hearts and sure enough they did! The score was 12 to 8; to end the season against DeLaSalle with a winning record of 5 and 4.

The thing which I learned most was that we must win and lose together as a team; with the weakest player giving his best effort. We can't do this without the help of the coaches and we can't work together without the help of God. If God's on our side we can never lose.

SOCCER VARSITY

Luis Libreros fakes an opponent as Justin Erbacci looks on.

There was a lot of talk before the season began about the soccer team. First the team had a new coach. And second, the team lost their high scorer. People were wondering if the "Kickin Rams" dynasty of being one of the most powerful teams in the state was over.

But the players got together, and they knew what they had to do. They opened the season in the Hinsdale Central Tournament against Hinsdale South and lost 4-2. Everyone thought that this was just a little showing of what was to come. But the Rams came back in the next two games, winning and shutting out their opponents in both games. The team came in second after winning the title the two previous years.

The "Kickin Rams" still did not find their high scorer and would go through the season without one. But they had one major goal and that was to win the Catholic League Championship. They had done it four previous times, but this year they would find Loyola their toughest rival of all time. The Rams played Loyola to a 1-1 tie after going through two overtimes. By the end of the tough hard working Catholic League season, Gordon compiled a 7-0-1 record in the League. The Rams and Loyola tied for first place, and became Catholic League Co-Champions.

Coach Phillip Birch was doing a good job so far as the team went to the subsectionals with a 12-3-2 regular season record. Their first opponent was East Leyden who they had no trouble blowing away by a score of 5-1. Their next opponent was Holt Trinity. Trinity was supposed to be a tricky team to play, but Gordon came up with all the tricks as they put down Trinity handily by a score of 3-0.

Gordon moved on to the sectionals riding high but came down when Niles North popped the balloon and shutout the Rams 2-0. Their only hope of going downstate would be for Loyola to beat Niles North. The Rams in the meantime played Francis Parker. During the game the Rams had two men ejected from the game, but seemed to play even better without the men as they smashed Parker 4-1. The Rams chance of going downstate went down the drain as they watched Niles North beat Loyola 2-1. But the "Kickin Rams" still did not finish off the season on a high note. They had to play Loyola once more and both teams came into the game with their hearts set on winning. The teams played in four overtimes and the game ended in a 1-1 tie. The Rams overall record was 15-4-3.

VARSITY CROSS-COUNTRY

The cross country season began at the Maine West Center Meet with the Rams competing against 19 teams. The harriers finished a respectable 11th after running only 5 runners in the Varsity race. A good race was run by Paul Peters who managed to place 18th with a time of 15:59. Not far behind were Carlos Montes and Ed Barry with times of 16:17 and 16:23 respectively. Good effort was shown by Norman Aranda and Mike Conner who fell prey to the fast pace of their first Varsity race.

The Harriers' second race was against Catholic League rivals Loyola and Weber. The race began slowly, but as the race progressed the pack continued to move up. At the end of the race the teamwork of the Rams proved to be successful as the Harriers trounced Loyola with a score of 27-29 and Weber 15-50.

The Ram's next race was to be their own Gordon Tech Invitational in which the Harriers managed to destroy all of their competition by placing five runners in the top ten. Leading the pack was Paul Peters who finished 4th at 16:08 followed by Carlos Montes in 5th at 16:10, Bill Fiedler in 6th with 16:13, Ed Barry in 7th with 16:14 and Terry Huebner in 9th at 16:19. The Rams' closest competitors were the Fenwick Friars who finished 2nd, 41 points behind the Rams.

The Harriers next victims were Brother Rice, Leo, and Ignatius. Ed Barry took leadership of the team finishing 3rd with a strong showing of 15:26 followed by Bill Fiedler in 4th, Terry Huebner in 5th, Rick Cadena in 6th and Paul Peters in 8th. Not far behind was a second pack consisting of Connors, Vogelsberg, Lehnart, Mikos, Bonk and Ghilardi.

The next race proved to be tough against DeLaSalle and the Indians of Lane Tech. The pack was not as close as it should have been with Ed Barry in second, Terry Huebner in third, Paul Peters in fifth, and Carlos Montez and Rick Cadena in eighth and ninth respectively. The Rams managed to out score DeLasalle 15-48 and Lane by a close score of 27-28. If the Rams were to win there next meet, the pack would have to work closer together.

On September 29 the Harriers travelled to Miller's Meadow to compete in the Oak Park Invitational. When the race began the pack was together, but as the race continued the pack began to disintegrate. In the last mile the team was completely dispersed thus costing the Harriers the race in which they finished fourth. Nevertheless a good race was run by Terry Huebner who led the team with a solid 11th.

The Harrier's next race would be one they would not easily forget. It was against St. Rita and a strong State Contender, Marist. The Rams ran a smart race by destroying Marist's pack, and forming one of their own. Ed Barry led the team with an excellent 15:19 followed by Peters and Montes with 15:20 and 15:21 respectively. In seventh and eighth were Ricky Cadena and Terry Huebner with a time of 15:29 for both runners. This race proved to be the high point of the season as the RAMS beat Marist 27-28 and St. Rita 15-40. On October 6 the Harriers travelled to the largest high school cross-country invitational in the United States at Crete-Monee. In this invitational all seven runners count in scoring of the race; the RAMS had to forfeit the team standings due to the absence of one runner. Nevertheless, fast times were won by the team. Ed Barry running in the championship flight ran a fast 15:30, in the second flight Peters ran a 15:10, in the fourth flight Montes placed an excellent fifth with a 15:11, in the fifth flight Cadena ran his best as he finished with a 15:18 in seventh place.

On October 13 the Harriers went to Rich Central to participate in the Olympian Run. Teamwork was not evident as the RAMS finished fourth to Marist, Thornwood, and Thornton. The team leader was Montes with a 21st place followed by Peters in 28th, Barry in 36th, Huebner in 38th, Cadena in 40th, Bonk in 104th, and Conners in 108th.

On October 20, 1979 the Rams travelled to Montrose Harbor to defend their Catholic League Championship. They fell short of their goal as they finished second to Fenwick. Peters and Barry were ranked as Catholic League All-Stars for their performances. Huebner ran a fast race and just missed

being placed as an All-Star.

The season in general was a successful one as the RAMS finished 9-0 in their dual meet records. They won the Gordon Invitational. At the awards banquet Paul Peters received the most valuable runner award after his tremendous season; he also joined the elite "1000 Mile Club". The Coaches Award was shared by Ed Barry and Carlos Montes; Ed was voted captain by his teammates for his fourth year of hard work and dedication on the team; he also joined the "1000 Mile Club".

Bill Connors will be trying to join the "3000 Mile Club" after two successful summers at 1000; only two other Gordon runners have ever reached the 3000 mark.

All of the achievements the team gained would not have been possible without the support and coaching of Mr. Mike Martorano. Fr. Greg Helminski, our Moderator, and the Principal, Fr. Mitrenga, also deserve our thanks for their consistent support.

Spanish Club

Juniors & Seniors

In this section of the book we present the various foreign language clubs which are active at Gordon. Students who participate in these activities complement the instruction which they receive in the foreign language classes with field trips and social activity; they develop a familiarity with the customs and cultures of the countries they study.

SERVICE ACTIVITIES

STUDENT COUNCIL

This year's Student Council was very active under the leadership of officers Kevin Hutchinson, Paul Volpe, and Michael Hart. The first major event of the year was the Homecoming which was a week of student involvement. The year was sprinkled with other events: mask day, tie days, grub days, a pep rally for the basketball team going downstate. A very important service provided by members of the Big Brothers, a council committee, is to help freshmen orient themselves to Gordon. Fr. Greg Helminski, who left Gordon at the end of the year for parish work, was the moderator of the Council.

Mr. Wynn is taunted by Paul Volpe, Tim Hart, Fr. Helminski, and the GT Ram as he is about to be creamed with a pie.

The Gordon Tech Ram rides to Lane Stadium on top of a car in the Homecoming Parade.

Front Row: Bogdan Woziak, Miguel Diaz, Tony Salva, Robert Wiegert. Second Row: John Koutsulis, Tim Hart, Mike Hart (President), Kevin Hutchinson (Secretary/Treasurer), Fr. Greg Helminski, C.R. Not Pictured: Mike Khadivar and Rich Thomas.

BIG BROTHERS

Council officer Paul Volpe, in a special costume, was the emcee for the Homecoming assembly.

The theme of Homecoming was "Friday Night Live"; it carried itself into the cafeteria with a spoof of a popular late night TV comedy routine.

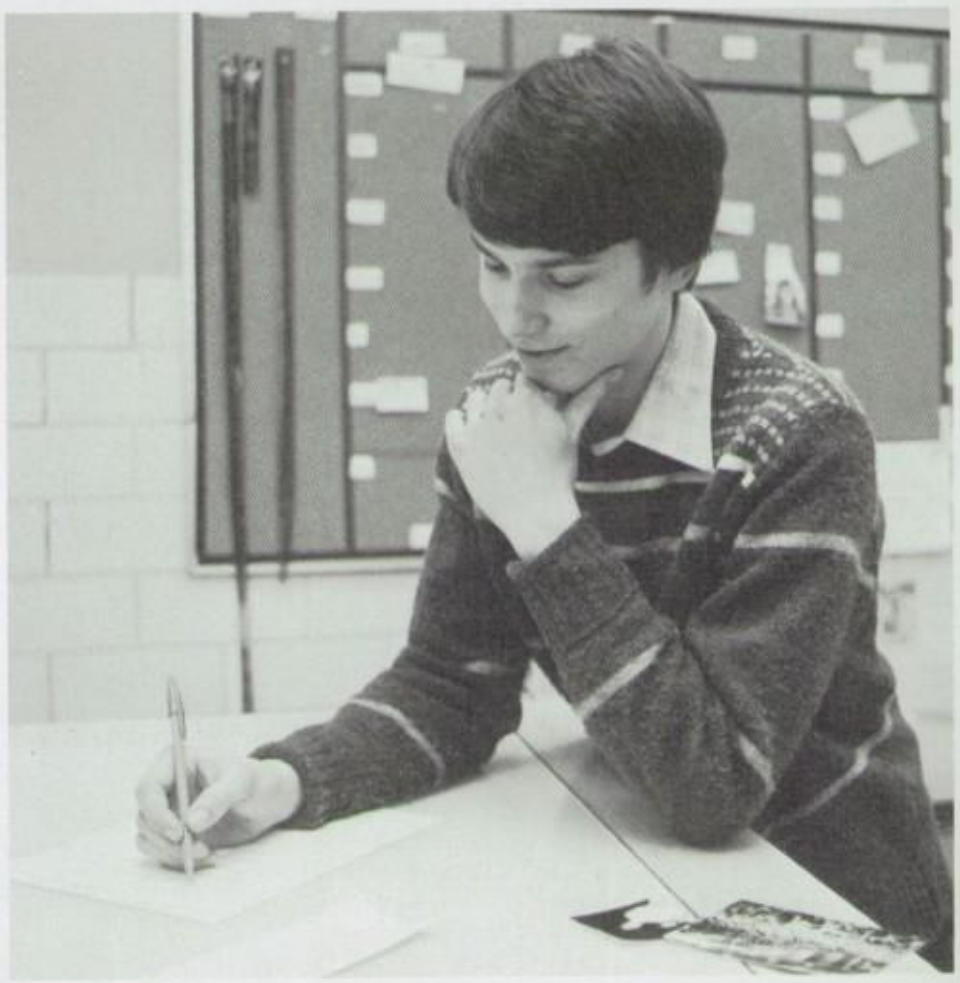
RAM-PAGE

The *Ram-Page* is the weekly newspaper of Gordon Tech produced by the students. Its purpose is to inform the students about the accomplishments of others, school government, upcoming events, and the various sports activities. It also gives the views on current issues of the students, faculty, and the *Ram-Page* itself. The popularity of the *Ram-Page* is due to its broad range of features which appeal to those readers whose interest in the *Ram-Page* would otherwise decline. It is also consistent in neither dedicating itself to a strictly informative format, nor a strictly entertaining format, but more of a combination of the two.

The *Ram-Page* staff is under the supervision of Mr. James Dermody.



Ray Bendig prepares a dummy layout for the weekly paper.

Weekly Newspaper Keeps Students Informed

Mr. Dermody consults with the editors on layout matters.

Kevin Besetzny, Ray Bendig, and Albert Minerva size copy for the sports page.

TECH-Log 1980

The *TECH-Log* provides members of the Gordon Tech community with a record of the past year. Editors and staff members work from the beginning of September to the middle of summer collecting information, taking pictures, establishing identifications, drawing layouts, writing copy, and devising a design for the book. The most important responsibility of the staff, though, is to provide an accurate history of not only the year's events, but the year's spirit as well.

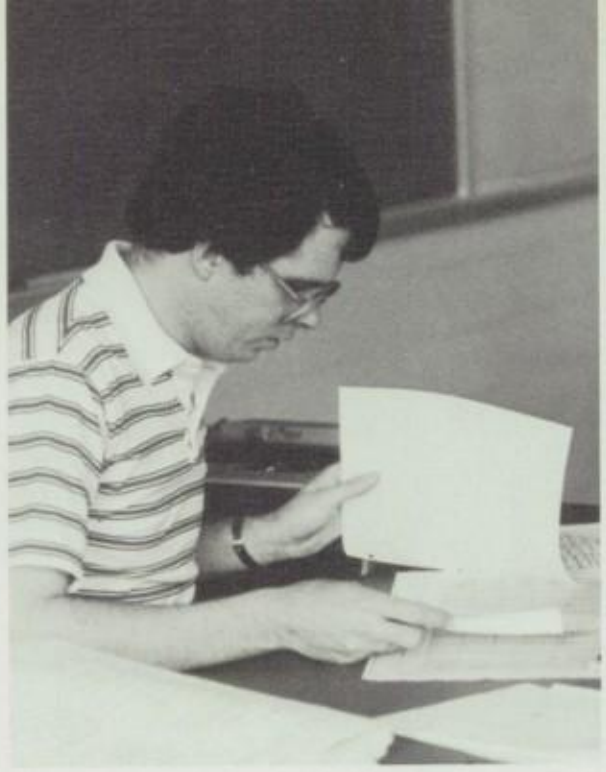
Tom Dyja, Editor-in-chief of the TECH-Log, checks with a moderator on the identifications for a group picture.

Managing editor John Donahue updates the picture file.

Sports Editor Joe Zajdel lays out the Winter Sports section of the book with our publisher, Richard Mitchell.

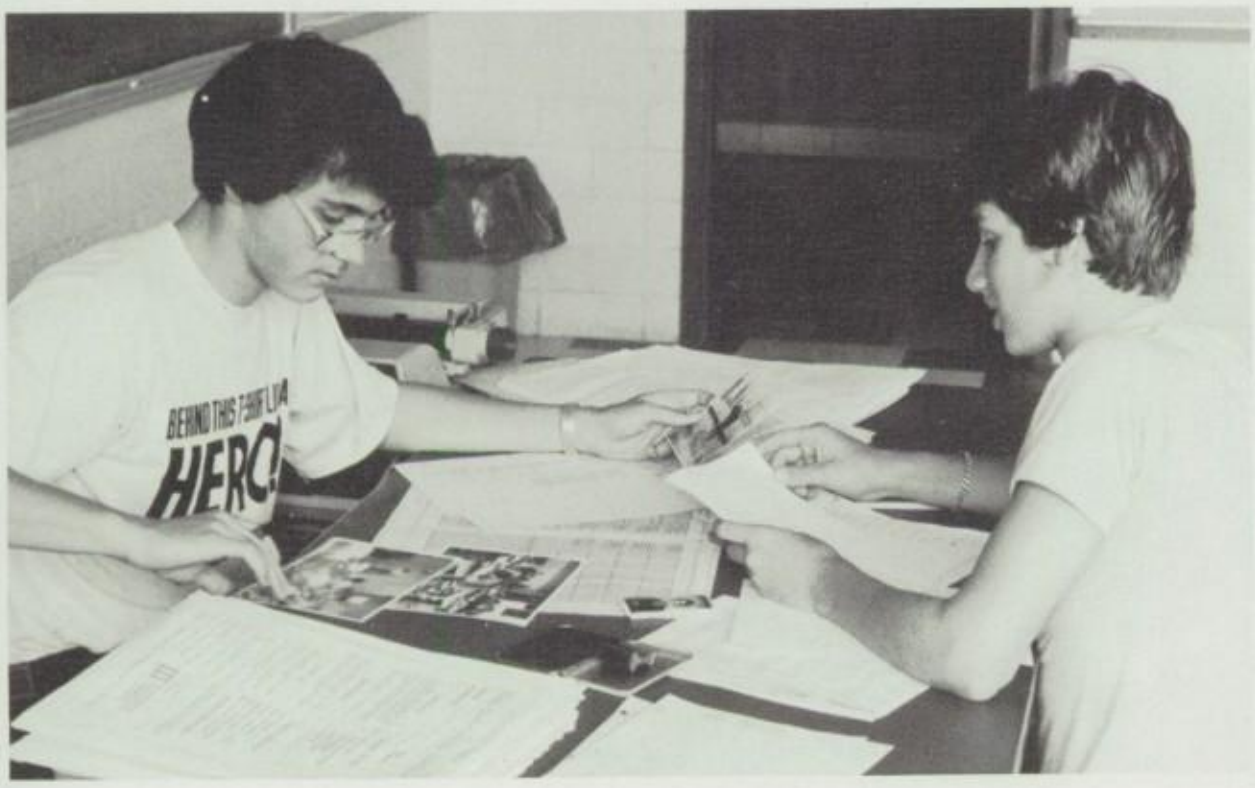
Mr. Perrin explains the procedures for underclass layouts to freshmen members of the staff: John Pfeiffer, David Zander, Mike Rock, Larry Kuhn, and Joe Farrell.

Joe Zajdel consults last year's book to determine how much copy will fit into each column inch.

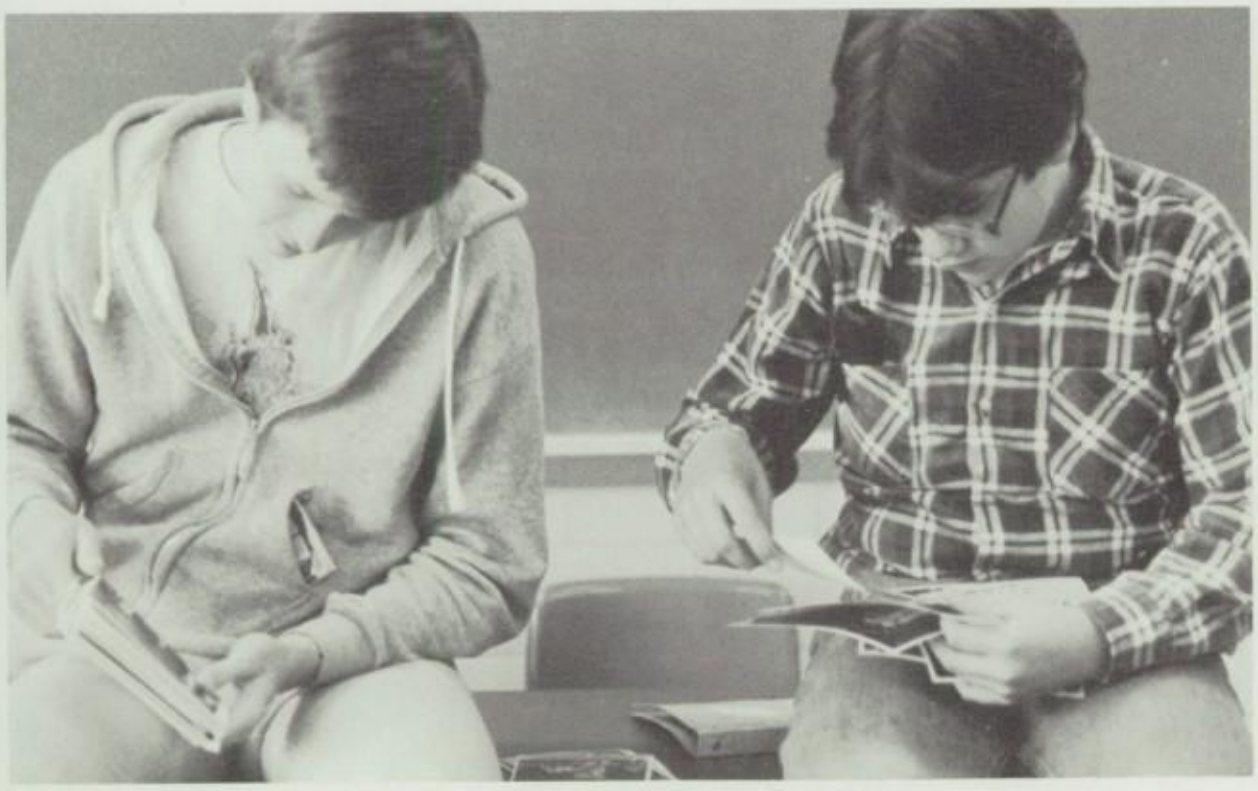


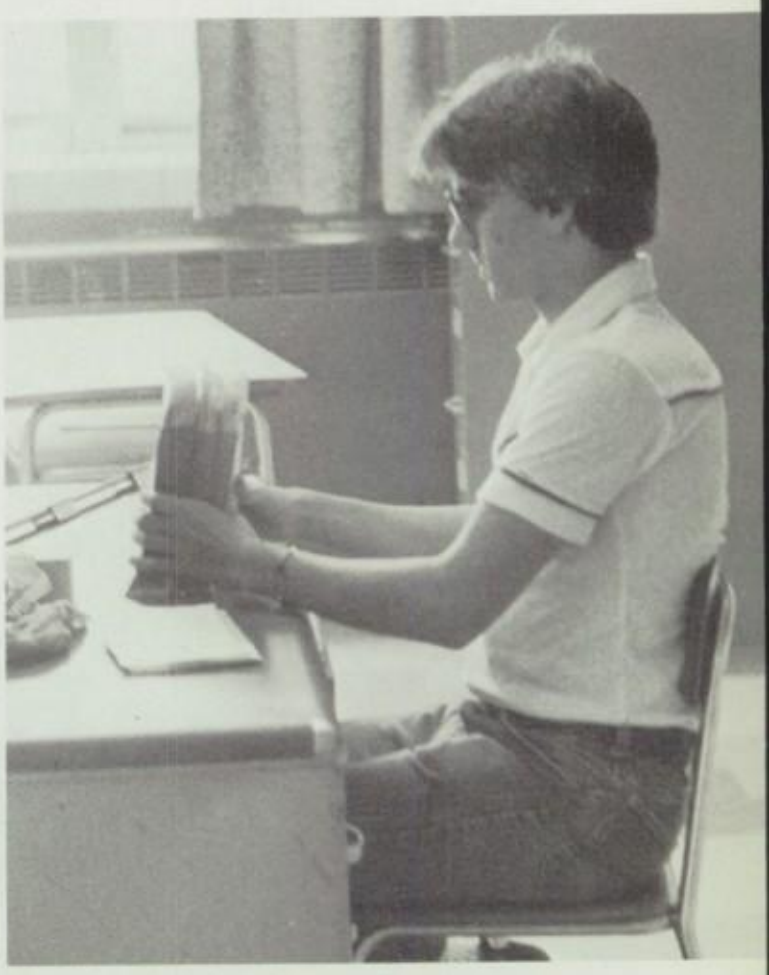
Mr. Perrin finalizes a spread in the junior section of the book before it is forwarded to the publisher.

Mike Rock sorts through candid pictures of students and selects shots for the Freshmen section of the book.



John Pfeiffer and Larry Kuhn double-check the alphabetical listings in the sophomore section before the pages are ready for Mr. Perrin's approval.





Andy Nawrocki, assistant Managing Editor, reorganizes a form file for the yearbook office.

John Donahue and Mike Rock choose pictures for the faculty section of the TECH-Log.

STAFF CHIEFS:
Christopher Skrundz, Raymond Gonzales, Mr. Robert R. Morris, David Humpa.

WKGT-TV

The television industry is rapidly becoming a major influence on our world. So, to better inform G.T. students in this field, Gordon Tech has formed various classes dealing with the film industry. Each of these is designed to give students a glimpse of the basics in television - from the preparation of film, to the study of a documentary. For the student who wishes to further his knowledge of television, Gordon Tech offers W.K.G.T., its own closed circuit television station. W.K.G.T. has become a valuable service to Gordon students and faculty. The W.K.G.T. studio produces instructional video tapes which teachers may use in their classrooms. W.K.G.T. also offers entertainment shows such as Sports Forum for interested study halls to watch. Members of the W.K.G.T. staff tape many of Gordon's home basketball games and other sports events. Through W.K.G.T., students increase their knowledge of television and may possibly consider a career in this field.

Disc Jockey Mitch Michaels of WLup and Lou Visconti stretch after a long taped interview.

Senior members of the WKGT staff take a break during the taping of the Michaels interview.

The National Honor Society, under the moderatorship of Fr. Mitrenga, is truly a service organization. Members are actively involved, year-round, in the primary activity of the group: tutoring students who are having academic difficulties. Other regular activities include the annual blood drive, the Shamrocks for Distrophy Campaign, and the annual Basketball Marathon. Members also participate in meetings with other NHS groups, and this year planned their first annual dance.

The '79-'80 season was certainly a year of tough, scrappy wrestling beyond our limits. Although we did hit a few bumps in the road, we learned from them and bounced right back in there. A team with only two solid varsity starters had a lot of potential, a lot to prove, and nothing to lose. We were uncontrollably enthusiastic and dedicated to the team. We were a team who consistently kept each other going. We won and lost like individuals but suffered and celebrated like a team.

Wrestling is an individual sport solely a 1:1 situation but we proved how a team could win a match and lose one, not an individual. During practice it was never he won or he lost but we won and we lost. Unfortunately only one person at each weight can go out and do battle against our opponents. Each starter in the spotlight represents four other wrestler's support, encouragement and hard work in the program. The four other wrestlers at each weight are the heart of the team, they keep it alive and winning. The wrestlers on the mat are the result of intense teamwork, dedication and efforts. It is not the person who wins or loses but the persons who contribute to that win or loss. When you fail to do this, you fail to regard a group of individuals as a team, and I speak of these individuals as representatives of the Gordon Tech Wrestling Team.

The Rams opened the season fired up physically and mentally for the Indians of Lane Tech. Well prepared, the grapplers stuck it to them 47-15. Bob Jakaitis' 1:49 sec. devastating pin and Jim Jensen's 1:21 massacre scalped the Indians. Although it was a losing cause against Evanston, Rich Holbach, wrestling like the Tasmanian, devoured his opponent with a 3:32 sec. pin. Ron Plantz's exciting 2:52 sec. pin at Loyola against a tough opponent went to a losing cause 27-21. Replacing two injured starters that weekend, Dan Rothstein and Frank Calkins wrestled superbly.

The Rams took a loss from a tough Conant team but came right back as Marty Calkins led a victory over Lake Park. Mike Holzner, Russ Hess, and Joe Klosinski put in great efforts to defeat Forest View 36-18.

The Rams weren't going to take it easy though, suffering a close loss to league champ St. Laurence 26-22. Heavyweight Ron Plantz crashed his opponent at 5:48. Lou Erenberg and Joe "Ski's" pins flared a victory over the Shamrocks of St. Pat's 43:12. The 16 team Palatine Tourney proved to be a little rough for the Rams, placing only 11th but it gave them the experience they needed. Lou Erenberg, 126 lbs., and Russ Hess, 185 lbs., placed fifth, with Joe Klosinski taking fourth place.

Russ Hess and freshman idol Fernando Malbehar led victories over Amundsen, New Trier West, and Brother Rice. Russ Hess's 14 sec. G.T. record setting pin seemed to highlight the weekend. John Graczyk's dual against Rice's Bill Henry was truly an intense, see-sawing match leaving the crowd on its feet cheering for both men even though John lost 14-8. Amundsen and New Trier West were crushed respectively 53-6 and 50-8. Brother Rice was soundly defeated 48-3.

A surprising and impressive Maine West team defeated the Rams, but it wasn't a total losing cause as a tough job against Maine South found G.T. on top 40-10. Mike Erenberg and Jim Jensen carried the grapplers through the day with two fine performances. St. Francis de Salles took a brutal beating from the Rams, losing 69-0; especially by Rich Holbach's thrilling last second win against '80 league champ and Mike Holzner's blood-thirsty style of wrestling pin at 2:55. The best was still to come at Mt. Carmel on Fri., Jan. 25. The tension in the air was thick enough to cut with a knife. Both teams wanted this one bad and Fernando Malbehar's intense, aggressive wrestling fired the Rams up with an animalistic 15-7 victory. The Rams were still down after "Ski's" 8-3 win but took the lead with Bob Jakaitis' 7-1 victory. From then on it was hand to hand combat with Mike Holzman's intense disqualification followed by Graczyk's :30 sec. pin and Hess's :35 sec. fall to bring the score to 28-23 Gordon. With the tension at its peak, Ron Plantz, in a familiar situation, was wrestling so as not to get pinned. Ron came through and the Rams were victorious 28-26.

The emotional strain of the victory over Mt. Carmel was too great for the Rams to face Proviso East (2nd place state finishers) the next day, suffering the only marginal defeat 48-7. A tough win over Ridgewood made the day 24-21.

Our last regular season opponents before the wrestling finals started were Mendel and Holy Cross. Jensen and Graczyk's catch up victories brought the score to 25-24 Holy Cross. Hess's pin brought the crowd to their feet and left Ron Plantz to do the job once again succeeding with the Rams victorious 30-28. The night before's thrashing of the Mendel Monarchs 60-7 seemed to put a shot of confidence in the Rams.

The Varsity's 15-6 record and 3rd place Catholic League Finish certainly was ecstasy and 6th place finish in the Districts was agony.

Overall, the Wrestling Program was extremely successful. The Sophomore's 4th place Murphy Wood Tournament and 3rd place Catholic League finish ended up their season record at 40 wins, 4 loses, and 1 tie. VARSITY FENCING

At first glance it seemed easy. When one examined all of our strengths coming into the season, there was reason for optimism. But good things never come easy, especially State Championships.

In the first week of September when the Fencers assembled at Horner Park there were many familar faces. The group was experienced, talented and close-knit. Only two seniors were lost the previous year due to graduation, and we were coming off a fairly successful season. It was too simple. So the gods intervened.

It seemed that one of the starting foilists would be lost from the team. Then a starting epee fencer transferred. We were still experienced, we still had talent and we were still close knit. However, our ranks were thinning and we were getting a little nervous.

Our first meet was at home against last year's state champs, New Trier East. Despite our personnel loses Arnold Manaois calmly led the way to victory by posting his first of many undefeated outings.

Next we were faced with New Trier West. Luckily, foilist Mark Piwowarczyk was able to return to the team and was ready to go. Arnold Manaois and Tom Argy joined him to win the foil strip.

However, Epee did not go as well. The epeeists could only muster one victory until Kevin Menzer and Joe Zajdel each came up with a victory to give Gordon the win.

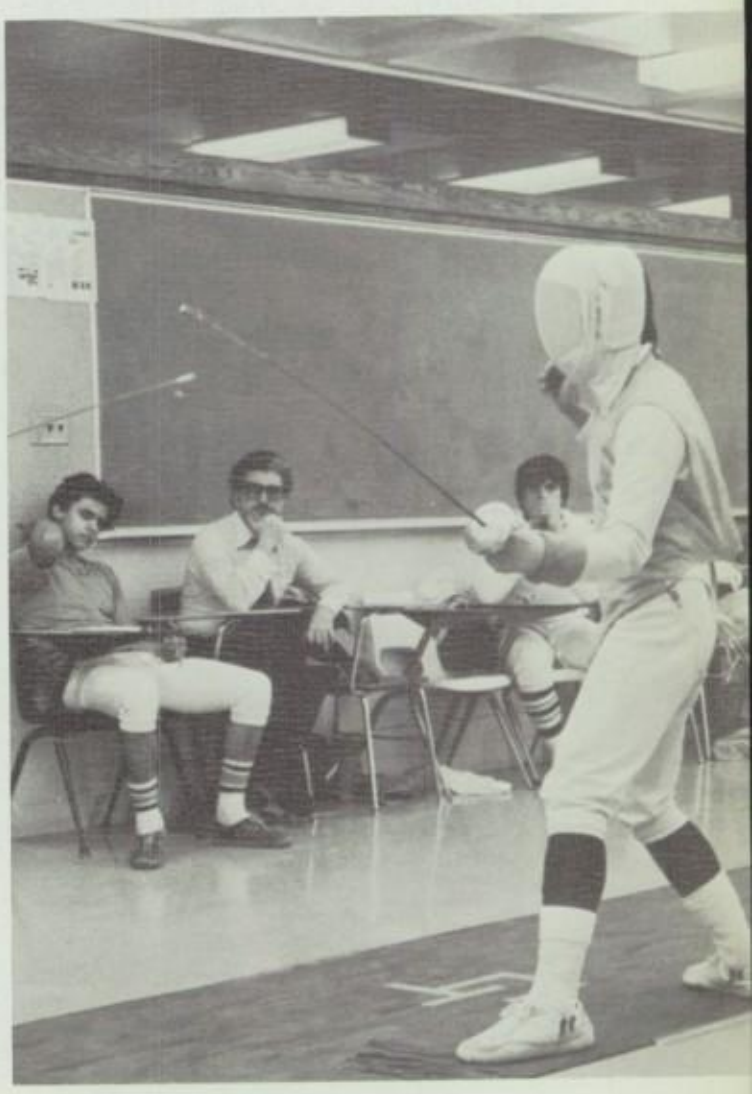
The meet against Maine South was also rough. Menzer was absent and Epee had its troubles, but Franz Hautzinger came through with a couple of victories to make it respectable. Fortunately, Foil cleaned up going 9-0 to give us another victory.

The night was not yet over. When we tried to leave, we discovered that the school's van was out of commission. Not knowing what else to do, we called the Congregation of the Resurrection. Within the hour, Fr. Greg Helminski arrived bearing the Holy Screwdriver. We were saved.

Our next dual meet was with Maine South presented no problem as we trounced them 14-4.

The Intersuburban Meet has always meant victory for Gordon in the past. Menzer and the elder Manaois led the way with help from Argy, Piwowarczyk, Franz Hautzinger and sophomore Audie Manaois, as we took the First Place trophy home for the fourth year in a row. Kevin Menzer and Arnold Manaois were both undefeated for the day and were selected as tournament MVP's in Epee and Foil respectively.

Arnold Manaois shows classic form on his way to an undefeated season.



With the Intersuburban fresh in our minds, we faced New Trier East again. This time our number one epee man, Menzer, was absent as were teammates Marion Ward and Audie Manaois. This left the epee strip weakened with Joe Zajdel slumping and three regulars out. Tom Stanley and Marcelo Aleman were called in from foil to help. The foil fencers were first up and turned their usual fine performance. Epee had trouble but managed enough victories to give us the win 10-8.

Maine South was next on our hit list and was thoroughly routed just as New Trier West was a few days later, 12-6.

The final dual meet of the season was fenced at Maine West. Although Arnold Manaois posted his eighth undefeated dual meet of the season,the foil team didn't quite lock up the victory. Epee managed to take up the slack with Joe Zajdel throwing in a couple of long overdue victories and strong showings by Franz Hautzinger and Marion Ward.

The season had ended and it was time to prepare for the state championships. The Fencin' Rams had finished with an 8-0 record — the best in the state. This gave them a point advantage going into the championship tourney over every team in the state.

The foil team was ready. The three starters, Arnold Manaois, Mark "Piwo" Piwowarczyk, and Tom Argy, had compiled a combined won-lost record of 51 victories and only 5 defeats.

The epee team wasn't quite as solid. Menzer had performed well during the season, but had missed three meets. Zajdel had a very disappointing season, but had done well at the state finals the year before. Audie Manaois was inexperienced, especially downstate. Hautzinger and Ward had been consistant, but still weren't clear cut choices.

Well aware of this dilemma, Coach Peter Morrison set up a rigorous fence-off in which some of the best epee fencing seen all year took place. The epee fencers fought tooth and claw for right to represent the team. When the smoke had cleared Kevin Menzer was number one, Joe Zajdel was number two and Franz Hautzinger was number three.

So the team packed its bags and went to Champaign. We felt solid, ready and loose. As we went through the warm-up drills we could feel the magic.

Tom Argy hits with a fleche.

The team was psyched. It was nine o'clock in the morning and there was no one to cheer us but our teammates. But we were up, shouting, screaming and losing our voices.

In the first three rounds we redefined the term "tour de force". Epee was especially strong, losing only three bouts before the final round. All six Ram fencers went to the finals. At this point Coach Morrison called a meeting announcing that we had clinched the title. We were the State Champs. He told us that in the finals we were on our own.

We fenced the finals for ourselves, but we wanted to see Rams in the top spots in both weapons. After an undefeated season Arnold Manaois could only manage to third place in the tourney. Strangely, it didn't seem to matter much to him since the team took first. He also won the Sportsmanship Award for Foil. Sophomore Tom Argy took fourth in foil and Mark Piwowarczyk landed fifth.

On the Epee side, Kevin Menzer took second behind a 6'8" fencer from New Trier West, while Franz Hautzinger and Joe Zajdel placed fifth and sixth respectfully.

To put the icing on the cake Tom Argy traveled to Boston to fence in the Junior Olympics. He went to the finals, and took sixth place in the nation in Men's Under 16 Foil.

And so the chronicle ends. Each fencer had his own accomplishments during the year, from the triumph of the Varsity, to the improvement of the lowly freshmen. Each fencer had changed and developed somehow from being a fencer. We owe thanks for that to Coach Peter Morrison, our teammates and ourselves.

The pre-season Chicago-Area High School polls were out in early November, but the amazing Gordon Tech Rams season started months earlier. As soon as the disappointing 1978-1979 season ended, the coaches were instilling thoughts of a much improved 1979-1980 squad.

Coach Chubrillo had decided to leave Gordon and the players were uncertain as to who the new head coach would be. Soon it was announced that Bob Ociepka would be the new head coach with Jim Bolognani moving up to Assistant Head Coach and Will Rey going up to Head Sophomore Coach and Assistant Varsity Coach.

We went into the first practice ready for anything, knowing all the changes we already had experienced, and ready for more. We then found out about Coach Ociepka's planned practices with exactly timed drills and no breathers in between. Coach Ociepka spoke with authority when he said, "We want to be the hardest working team in the state." Practices were so rigorous that even the managers had to dress for action. We tried to grab a breath where we could while listening to the coach's instruction.

Even though the coaches really didn't think we could contend for the title, they made us think we were the team to beat. Our only question was about whether the inexperienced players could play well under pressure. We were to find out soon because our first game was only a week away.

It was to be in a round robin tournament with the team with the best record after three games receiving the trophy. Our first opponent of the year was to be Hersey High School. We were to start three inexperienced players: 6'2" Paul Volpe at one forward, 6'5" Ed Wayda at the other forward, and 6'6" Scott Petway at center. The guards were co-captains John McIlvain and Charles Perry.

The game started off slow for the Rams, as we tried to get the feel of things. We had trouble adjusting to their offense and they jumped out to a first quarter lead of 18-17. Charles seemed like the only scoring threat, getting 8 of 17 points. The second quarter was a different story. The Ram "D" clamped down and held Hersey to eleven, while Scott Petway came alive with three baskets and we went to the locker room with a 34-29 lead.

The third quarter was the John and Charles show as they scored 15 of our 17 points and we were up by 10 at 51-41. The fourth quarter featured Ram free throw shooting as we were awarded 22 foul shots and hit 17 of them. This was enough to finish Hersey at 72-56.

The Rams went for number two against Morton East. It was easy from the start with G.T. jumping all over the Mustangs for a 20-8 first quarter lead. We increased our lead to 18 points by the half. It was more of the same in the second half with the Rams coasting to a 76-50 win.

We entered the Lyons Township game at 2-0, the same record as Lyons. This game would decide the tournament's champion. The game was tough from the start, with Lyons in a 1-3-1 half court trap. Lyons jumped to a 16-13 lead in the first quarter on a balanced scoring attack. The second quarter found the Rams fighting for the lead. The home squad went to the locker room with a 34-33 lead. The game's tempo changed quickly in the third quarter. There were Rams all over the court as we exploded for 24 points while holding them to 11. It was 57-45 and it was over for the Lions, for they could only trade baskets in the fourth. Our first trophy had been won with a 74-61 win. Charles Perry lead with 20 points, while Paul Volpe tossed in 13.

One week later our opponents were the heavily favored #3 rated team from St. Patrick's. A sellout crowd was on hand for our fourth straight road game, and at least half of that crowd were G.T. fans.

The first quarter set the tone of the whole game. The best zone defense in the state against the best man defense in the state. We had trouble penetrating their defense as they did ours. Charles Perry was again our only bright spot on offense, netting 7 of 9, while Pats hit for 10 points. At the half Pats held a 24-19 lead.

The Rams came out with a bang in the third, outscoring the Shamrocks 14-6. After a small scuffle with center Tim Nolan, a fired up Paul Volpe and Scott Petway controlled the boards to stop St. Pats' offense and ignite ours.

Play started in the fourth with G.T. ahead 33-30. Wayda put us at 35-30 with a quick bucket, but Pats came back with two in a row to make it 35-34. Volpe hit a freethrow which was followed by three hoops by Pats putting them in the lead, 40-36. After Charles Perry fouled out, the Shamrocks finished us off with freethrows and it ended 48-43.

We continued the road trip at Deerfield the next night. We jumped out to a 20-10 lead in the first, but the Warriors knotted it at 26 at the half. A red hot Coach Oceipka gave us a tongue lashing in the locker room and we took the hint. We played a solid second half to win our fourth of five, 59-50.

We ended our road trip at Hales Franciscan. It was there that Kevin Jennings replaced Paul Volpe in the starting line-up. It was an easy win for G.T. leading by 14 to 17 points all the way. Charles had 21 and we were at 5-1 with a 72-57 win.

We finally returned home and had to face Addison street rival Lane Tech. The Indians were red hot in the first hitting for 20 points on 65% shooting. We stayed close netting 18 of our own. In the second quarter Lane Tech went ice cold. We catapulted to a 28-24 lead on Charles' and John's 5 points each. The third quarter was a complete takeover by G.T. We outscored Lane

In the second half DeLasalle came out in a half court stall offense spreading out the Ram "D" and setting us up for the back door play. They forged ahead 48-42 by stopping John and Chuck cold, but Ed Wayda kept us close with seven points. It ended with G.T. behind 64-53.

We headed for Elmhurst during Christmas break to play in the York Holiday Tournament. Our first foe was Immaculate Conception. They played hard and scrapped to stay close, but we held five 11 point leads throughout the contest and closed with a flurry to win 67-53.

We were at 9-2 for the season when disaster struck. Timothy Christian, a class A team, upset the Rams and sent them into the losers bracket. We came out sluggish against a team we should of beaten. It was 26-25 at the half but it ended 62-61 in favor of Timothy Christian.

Our first opponent in the losers bracket was Lane Tech. It was a repeat of the first game against them, a blowout. The loss to Timothy Christian woke us up and we exploded for an 85-58 win.

Conant was the next foe and we stayed hot with an incredible 86 point winning performance. We set a record with 299 points in the tournament, an average of 74.75 points a game, in a fifth place finish.

We moved in the 80's with our third Catholic League victory versus St. Rita. The Rams were without John McIlvain, who had pulled a muscle in practice. Dan Kascher, a transfer student from St. Gregory stepped in to replace John.

We jumped out to a 19-10 edge in the first quarter only to see it shrink to 34-30 at the half. In the third quarter the Mustangs challenged the Rams for the lead, but the outside shooting of Dan Kascher kept us ahead at 52-46. In the fourth quarter St. Rita actually took the lead, but Charles Perry's freethrow shooting brought us back and we held on for a 62-57 win.

We moved to 13-3 and 4-1 in the league against Mendel High School in what proved to be the roughest game of the year. Three players fouled out with a total of 33 fouls called and countless others not called. The Rams survived to win 63-54.

We came home to play another C.L. team, St. Leo, and it proved to be the most exciting game of the year. We were down 33-26 at the half, but John came alive in the third scoring 10 in that frame and the gap was closed to 46-43. Both McIlvain and Perry fouled out late in the game, but the substitutes got the Rams back within 2. Then the Rams forced a turnover and called a timeout with four seconds on the clock. The ball was inbounded to Kascher who found himself at half court with no one to pass to. He took two quick steps and fired a thirty foot jumpshot that went straight through — all net. The ensuing excitement propelled Gordon to an overtime win with Kascher scoring 4 of 5 overtime points. It ended 70-67, G.T.'s fifth Catholic League victory.

We appeared in the prep ratings as #16 in the SUN-TIMES and #10 in the TRIBUNE. We thought we deserved higher so we went out and stomped on Loyola. Charles was unstopable with 27 points, and John followed with 16. The final was 68-56, but it wasn't that close a game.

Next was a non-conference game versus St. Joseph. Isaih Thomas was gone, but Ken Williams hit for 30 points and Isaih was forgotten. Charles Perry was not about to be out done so he pumped in 37 for a two night total of 64. We had a 42-38 halftime lead, but Coach Oceipka knew if Williams wasn't stopped the Rams were sunk. Paul Volpe would start the second half and shadow him.

In the third quarter the defense was good but the offense could only muster 10 points and St. Joe's cut the lead to 52-51. The Chargers knotted the game at 66 in the fourth and we went into overtime. Charles hit 4 points in overtime while John sunk 5, and then they both foul out. Darry Smith had fouled out earlier and Coach Oceipka

was running out of Rams, with the score tied at 75. St. Joe's stopped Gordon and had the ball with 12 seconds left when Paul Arand let go with a 12 foot jumpshot and missed, Paul Volpe came down with the rebound at the buzzer and we appeared to be headed for double overtime. But the referee had called a foul on Volpe and sent Ken Williams to the line with 0:00 left on the clock. The G.T. coaches protested the call, but an upset Volpe and his teammates could only watch as Williams sank two freethrows for the win. WKGT taped the game and the relay showed no foul. We couldn't change the result though and St. Joseph's got the win.

Back to league play at Brother Rice, we led all the way by dominating the boards at both ends. It ended at 65-51.

It was on to Fenwick for our next game. The Rams left their gym leaving no doubt as to who was better with a 77-49 win. Ten different Rams scored in this blowout, as the whole team played well.

There are a lot of important games during a season, but it all boils down to one big game, the fiercest rivalry in the state. Coach Ociepka put it best when he said, "You can lose all your games during the year and the fans won't care as long as you beat Weber."

A biased crowd was psyched from a pep rally earlier in the day and the Rams jumped all over the Red Horde 22-10 in the first, much to the approval of the crowd. It was 40-27 at the half on John's 11 points and Chuck's 9. The game was blown open in the third on Scott Petway's offensive explosion and the quarter ended 57-40. We lost our shooting touch in the fourth and Weber got dangerously close but never led. They outscored us 26-11 for the quarter but still lost 68-66.

We were now 18-4 and 9-1 in the Catholic League — tied with DeLasalle for first. We were now rated 16 in the SUN-TIMES and 17 in the TRIBUNE.

Three days later it was Mt. Carmel and the Rams moved into sole possession of first place, with a 79-58 win. We led 22-16 at the quarter, down 34-33 at the half, moved out to 49-44 lead after three, then exploded for a thirty point fourth quarter.

We could clinch the league title with a C.L. win in either of our last two games. St. Ignatius, paced by Catholic league MVP Arthur Aaron's 30 points beat us 69-55. Then 6'11" Kevin Olendorf and 6'7" Ron Lesiak of St. Laurence handed the Rams their second consecutive loss. We ended up in a three way tie for first with DeLasalle and St. Laurence. We congratulated St. Laurence on their championship, and they congratulated us on ours.

The regular season had ended, but the year was far from over. We headed for Maine East to play Luther North who had yet to win a game. They tried to stall us and actually led most of the first quarter, but their tactics finally caught up with them and we blew by them for a 54-33 win.

Then regional championship was against defending state champions Maine South, who beat us in the regional last year. We jumped out to an 18-16 lead in the first and by the half it was 32-24. It was 40-33 after three, and we held them off in the fourth and won the regional trophy with a 56-53 victory. Charles and John tore down the nets as we celebrated on the court.

We drew Niles West in the first game of the Sectional and it was no contest. Our balanced scoring was too much for Niles in a 73-52 win.

We played Maine West for the right to go to McGaw Hall. Even though their record was 8-21, they were a much better team. They had suffered many crippling injuries during the year and had recovered in time for the playoffs.

We got an early lead of 10-8 in the first quarter against a tough 3-2 zone defense and it extended it to 24-18 at the half.

When the second half started, a vintage Charles Perry was on display. He was all over the court and seemed to be our only offense. Because of this Maine West was able to catch us but we still led 36-34 at the quarter. Perry continued his show in the fourth quarter and by quarter's end he had scored 21 of 27 second half points. Maine Wests more balanced attack tied us at 47 though and we went into overtime. We won it in the first extra frame 54-51 on freethrows, and another championship was won. We received our trophy, cut down the nets and we were headed to McGaw Hall for the Super Sectional versus an old playoff nemesis, New Treir West.

West had beaten us twice in the supers before, but we knew our history and we were out for blood. Pat McAvoy got the start to shut down scoring threat Tom Franz and shut him down he did, allowing him to score only 2 points in the first half. They led only once at 2-0 and then we took over. It was 30-20 at the half and the crowd could sense an upset.

In the second half they cut it to 7, but that was as close as they got and the victory was our 58-51. It was a dream come true for all of us and it was impossible to hold back any emotion. We were the first G.T. basketball team ever to go downstate and plans were made for a pep rally to send us off.

We drew Lincoln High School for our 7:00 PM game at Assembly Hall. Lincoln was 29-1, small, quick and had a great pressing defense. Despite their lack of height they managed to out rebound all of their opponents. Coach Ociepka was happy to get them because we matched up with them. They proved Coach "O" wrong, dominating the game. We led 2-0 on Charles' basket, but that was it. They led 17-9 at the quarter and 29-20 at the half. We were turning

By then it was 47-34 and a crowd of over 15,000 were seeing the worst game we ever played. It ended 66-47 and our dream was over. For some reason though, our bitterness lasted only until we got out of the showers.

One loss didn't mean that much after the season we had been through: LaGrange Thanksgiving Tournament Champs, Catholic League Tri-Champions, Regional Champions, Sectional Champions, Super Sectional Champions, Members of the Elite Eight. Not bad for a team predicted to be no factor in 1979-1980.

HOMEROOM CHAMPS

INTRAMURALS

The intramural program this year was once again a success. It not only gave opportunity to those working students whose time was scarce but also for those whose talents would have otherwise gone unrecognized. Most of all, it built a competitive spirit among the homerooms, because the homerooms were awarded a certain number of points for the various number of participants as well as the place they finished. It also gave the students something to do after school without either obligation of a team or the responsibility of academics. The director of the intramural activities this year was Coach Casey Kozlik, who scheduled the events throughout the year for anyone who was interested.

At the beginning of the year, the following events took place: The rope climbing contest, the pull-up contest, the 100 yard dash, the pull-up contest, the free throw contest, the sit-up contest, and the cross country race. Wrestling, basketball, floor hockey, ping-pong, checkers, and arm-wrestling took place later in the year. At the end of the year, the annual Sports Night was held. The crowds gathered to see the finalists in the Hot-Shot competition, boxing, and the three on three basketball contest. The crowd was also treated to a wrestling match between the Doctors of Doom and the Love Brothers.

The homeroom with the most points is the best one. The homeroom earns points by the number of entrees in each event as well as the place that they finish. Homeroom teachers encouraged their students to participate even if they did not think they would win, because they would win points. They obviously succeeded, because the proof of this year's success is the large turnouts for the various events. Hopefully, next year's intramural program will bring us the memorable events that this year's program brought.

A Third Year of Studies Sharpens Juniors Skills Prepares Them for Future

Junior Frank Luksa awaits the fate of his basketball shot.

Juniors exemplify the needed characteristics to succeed in school. Three years of education have matured them greatly. Decisions about the future and about their life ahead will be very important. There is only one year left to learn, one short year, before they're out in the world. The skills and studies taught at Gordon will never be forgotten. This year Juniors excelled in academics and sports. The class of 1981 is truly a credit to Gordon Tech's History.

JUNIOR RING CEREMONY AND DANCE

On April 17, 1980 the junior class received their Gordon rings. The Gordon ring is to celebrate uniqueness, to forgive and reconcile, and to hope for the future. The ceremony was highlighted by a slide show presented by two juniors: Glen Szeszol and Mark Sweet. Fr. Mitrenga explained the meaning of the rings, blessed them and then they were distributed by the homeroom teachers.

The annual Ring Dance was held the next night at the Golden Tiara Ballroom. The theme was "Just the Way You Are." The band that played was CHAMELEON. During the dance Fr. Helminski announced the name of the Ring Dance Queen: Lori Nicholson, escorted to the dance by Tony Chereso.

VARSITY TRACK TEAM

As 1980 came in, there were announcements stating that there would be a Track Team meeting for all old and new members. At the meeting Coaches Martorano, Lazzara, Schalek and Quanstrum made it clear to us that we were going to give it our all and that we were going to work like we never worked before.

Our first trackmeet was less than two months away and the coaches wanted us to be in shape, so the entire team would begin pre-season practice three days a week. Pre-season practice consisted of running, lifting, and circuits. Circuits were seven stations at which a group would do a certain calisthenic for one to two minutes and go on to the next station. Although it may not seem like much, circuits were very exhausting and strenuous, one of the harder practices we had.

Regular practice finally began. The team broke up into four groups. The first was the distance men with Coach Martorano. The second group was the sprinters and hurdlers with Coach Lazzara. The third group was the high jumpers, long jumpers, and pole-vaulters with Coach Schalek. The final group was the shot putters with Coach Quanstrum.

Our indoor season was only a month long with only five track meets. At each meet we did a splendid job, winning almost all of them. Then came the Catholic League Championships at the University of Chicago. However we didn't do as well as we should have. The only trophy we brought home was for the two mile relay, in which we took first.

The outdoor season lasted a month but there were twelve meets in which we could test our talents against other teams. The climax of the season was the Outdoor Catholic League Championship in which we took 11th place. But we did come up with a fantastic team in the two mile relay consisting of Dan Metoyer, Carlos Montes, Ricky Cadena, and Andy Peterson. This team became a top state contender. Within two weeks they broke the school record, won the Catholic League Championship, won the District Meet and travelled to Eastern Illinois University for the state meet. Although they didn't win they did make a gallant effort. During those two weeks the entire team had more pride and hope than we ever had. Efforts like that make winners.

What was to be an electrifying baseball season for the Rams in 1980 turned out to be a power failure. Lack of hitting — .270 team batting average was a major factor why the Rams struggled on the diamond. In 23 games, the baseball Rams hit only 13 doubles, 8 triples and 3 homeruns. Three players tied for the homerun title with one homerun apiece — Mike Jacobs, Tim O'Connor and Don Johnson. From the above stat's, it is easy to see that the Rams lacked offensive punch in 1980.

The baseball season began on March 28, 1980 with a practice game at Niles East. The Rams got off to a good start with a 2 to 1 victory. Excellent pitching by Seniors Dave Eckhart and Mike Witowicz highlighted the game. The baseball Rams quickly hit a slump with the bats and gloves losing the next four practice games to St. Joseph, St. Benedict's, Proviso West, and Taft High School. In spite of losing the four games, the pitching staff of Mike Jacobs, Bill Wiklacz, Mike Witowicz, Dave Eckhart and Tim O'Connor continued to perform well on the mound.

Against Roosevelt High School, the Rams came out swinging the bats winning 8 to 0. Junior Don Johnson was the hitting star driving in three runs with a triple and a single.

Now it was time to open the Catholic League Season. First opponent was Hales High School. The game went only five innings with the Rams winning by the score of 10 to 0. Any team leading by ten runs after five innings is declared the winner. Senior Dave Lempa pitched the shutout allowing only 3 hits. Junior Don Johnson batted-in 4 runs with a homerun and a double.

Next Catholic League Game was against Mt. Carmel. Once again, the Rams were successful winning 7 to 4 bringing their league record to 2 and 0. Senior Mike Jacobs cleared the bases with a double in the fifth inning to spark the Ram victory. Senior Bill Wiklacz was the winning pitcher allowing only 5 hits.

The undefeated Rams (2-0) traveled to Weber (3-0) for an important league game on April 21, 1980. The Rams suffered their first league loss. The score was 3 to 2. All three runs scored by Weber were unearned. The Rams looked like the "Bad News Bears", committing 4 errors. The next day, St. Laurence invaded Horner Park crushing the baseball Rams by the score of 12 to 6. Junior Tim O'Connor provided the only Ram highlight with a homerun.

After splitting their first four league games, the Rams were victorious in the next four league games defeating Loyola, De LaSalle, Mendel and Leo. Timing hitting from Tom Moritz, Mike Jacobs and Frank Blasinski was a big factor in the Rams victories. Against Leo, Senior Mike Jacobs pitched brilliantly striking out ten Leo batters. Also, the Rams worked a triple play. In the first inning, the first two Leo batters

reached base safely. The next hitter lined to Ram Shortstop Frank Blasinski who caught the ball — step on second base and fired to first base completing the triple play.

With a 6-2 league record, the Rams traveled to Brother Rice (7-1 record) with a chance to move into first place if they could defeat the "Crusaders". However, Brother Rice had their hitting clothes on and crushed the Rams 11 to 5. The next day, Juniors Tim O'Connor (fine pitching) plus Frank Blasinksi (fine hitting) led the Rams to a 8 to 1 victory over St. Francis De Sales.

The Rams ended the season looking again like the "Bad News Bears", losing three straight league games to Fenwick, St. Rita and St. Ignatius. Errors played an important role in the three defeats.

The Rams overall record was 10 wins and 13 defeats with a 7-6 record in the Catholic League. Senior Tom Moritz was named to the All-Conference Team. Senior Dave Lempa won the Coaches Award with Junior Frank Blasinski named Most Valuable Player for the 1980 season.

The Rams are looking forward to the 1981 season with five starting juniors all returning. They are Tom Vanoni, Carlos Chillon, Frank Blasinski, Don Johnson and Tim O'Connor.

VARSITY TENNIS TEAM

The Gordon Tech Varsity Tennis Team fought their way to a winning season this year. The Gordon Tech Netters success can be credited to the following: excellent coaching, determination, self-sacrifice, and practice. In spite of all this and their 6-3 record, they finished in fourth place in the Catholic League. Practice began as early as October and ended when winter began. In March practice resumed, but this time it was carried out indoors. By the time the season began the GT Netters were fit and familar with each other as well as the Horner Park Courts, which were our home courts.

Gordon played two non-Catholic League teams this year Niles East and Morton West. Niles East was the Netters first prey. GT barely won that contest with a score of four to three. On they traveled to Oak Park to play Fenwick. Fenwick won over Gordon as Gordon had won over Niles. Fenwick was one of the teams to place higher than Gordon. They proceeded to Brother Rice with a 1-1 record. Gordon barely escaped with a victory again, the score was 3-2 and Gordon regained its winning record, but only temporarily. Gordon then went on to St. Ignatius with high spirits but were crushed with a 4-1 Iggy victory. Incidently, Iggy was number one in the Catholic League.

The record was even again at 2-2 and our next opponent was St. Laurence. They were dominant through the matches, allowing only one victory to their opponents. GT had a victory of 4-1, their winning record was retained but it was quite questionable. The question was answered as they marched forward to play Loyola Academy. They once again took a beating but managed to win one match. This was the last team to place higher than Gordon.

What better way to break an even record of three wins and three losses than to do it against Weber? The Netters beat the Red Horde with a score of four to one. Our record was then four wins and three losses. From this point on the Varsity team was unstoppable. They won the rest of their matches by beating Mendel, Morton West, De La Salle, and St. Rita. The scores were phenomenal as the totals of these four scores indicate. They won 18 while losing only two. It was a sensational way to wind up the season. As good as this year's team was, next year's surely will be better.

The reason is that only three seniors will be leaving the GT tennis squad, and there will be twelve sophomores fighting for a spot on the team. The effort and skills of Bill Penar,

Rocco Valicento, and Saiwee Utaisen will surely be missed; but there will be seven veteran tennis players and twelve sophomores.

The head coach was Fr. Ed Jaskula C.R., who did a fine job in his first year. The assistant coach was Fr. John Nowak C.R., who also did a fine job in his first year. Their leadership was the key to the team morale as well as victories. But what is most appreciated is their sacrifice to give up their leisure time and spend it on our team. The Frosh-Soph team also had a winning season, their record was 6-3 and they placed third in the Catholic League.

They beat the Varsity teams of St. Benedict and St. Gregory as well as the teams of their own age groups.

The memories of this year's team will certainly be embedded in the minds of our players, who all have tasted the sweetness of victory and the bitterness of defeat. It will be remembered for its team efforts as well as its individual ones. But most of all it will be remembered because it was fun.

Seniors lead Cagers to "Elite Eight"

The Varsity Basketball Team led by Coach Bob Ociepka had an exceptional year even by Gordon Tech standards. Their long hours of practice, team dedication, and backing by their fellow students gave them the encouragement which, in turn, led them downstate. In the beginning of the year, Gordon's two star Senior starters John McIlvain and Charles Perry carried the unexperienced team through the first few games until the Cagers began to play in the fine Ram tradition. The season went smoothly and ended with an excellent 24-7 record. Under the super coaching of Mr. Bob Ociepka, the team was led to success as they took home the third Gordon Tech Catholic League Championship, the Maine East Regional Championship, the Niles West Sectional Championship, and the Super Sectional Championship. Although the Cagers lost 47-66 to Lincoln in Champaign, they were the first in Gordon's history to make it downstate and earn a spot in the "Elite Eight". For the Seniors, especially, the memories from the '79-'80 season will live on forever.

SENIOR PROM
May 9, 1980

The Senior Prom Committee was right on top of things this year. Everything was done well and done on time. The Prom was held at the Marriot Lincolnshire in the Ballroom. Both Frankie Masters and his Orchestra and "Chameleon" were slated to play.

Couples began arriving at 7:00 p.m. for punch at poolside. When everyone was seated the Orchestra began to play and they continued through dinner. The meal included Roast Beef Tenderloin with Mile High Pie for dessert.

At the end of the meal, Fr. Helminski announced the Prom Queen and her court. Julie Ecimovich was overcome with excitment when she was named Prom Queen.

"Chameleon" came on next and played the Prom's theme song "Precious and Few". They and Frankie Masters continued to play until the Prom's end in the early morning hours.

GRADUATION MASS

The Graduation Mass took place on May 29, 1980 in the gymnasium. With the graduates, their parents, and the faculty in attendance, Father Francis Rog, Provincial of the Chicago Province of the Congregation of the Resurrection, concelebrated the mass with the priests of Gordon Tech. After the mass, senior members of the National Honor Society received their gold tassels and collars. Music was provided by members of Immaculate Heart of Mary Parish. A reception was later held in the cafeteria honoring the graduating students.

GRADUATION CEREMONY

Commencement Exercises took place May 31, 1980 at the Arie Crown Theatre. Kevin Hutchinson, Secretary of the Student Council, gave the Salutation, followed by Father Mitrenga's Address to the graduates. The Commencement speaker was Sister Candida Lund, O.P., President of Rosary College. Sister Lund's speech was optimistic, encouraging the graduates to go through life always striving.

After the addresses, the graduates received their diplomas from Father Mitrenga, and their alumni pins. When the diplomas were in the hands of the new alumni, awards were presented for high academic standing, proficiency in various areas, and for perfect attendance. Father Rog then led those assembled in the Ressurrectionist Prayer. Music was provided by the Gordon Tech Concert Band.

25th YEAR AT GORDON

Eugene H. Wleklinski

The strength of any school is the dedication and competence of its faculty. Eugene Wleklinski has dedicated himself to Gordon students for the past twenty-five years in almost every aspect of high school life: math teacher, science teacher, moderator, coach, departmental chairman. This year we have celebrated with him and thanked him for the gift of those years of service and dedication.

A link to our past, he started teaching at Gordon in its earliest years in the Division Street building. He is also a part of our future; as science department chairman he works to stimulate the Gordon curriculum. This year he has fostered the burgeoning computer club's interest into a curriculum reality for the coming year.

Mr. Wleklinski is a married man with children who realizes the values of family, spiritual strength, and discipline which have always been a part of Gordon's educational philosophy. Those who know him will tell you that he is a teacher and a coach who cares.

For most of his years at Gordon, Mr. Wleklinski has been the bowling coach.

The yearbook files yielded this vintage 1955 shot of Mr. Wleklinski in the classroom.

Two characteristics that all his students recognize: the smile and the bow tie.

Every year the members of the TECH-Lof staff face the monumental task of assembling all the information, pictures, and identifications to complete their historical task. Naturally, as the programs and activities of the school expand so too does the yearbook staff's work.

It would have been impossible for us to complete our work without the help of many individuals. We would like to single out the following: Norbert and Marge Dompke of Root Photographers, Mr. R.A. Mitchell of Walsworth Publishing Company, the members of the Gordon Tech coaching staff (Coaches Wynn, McCann, Slingerland, and Martorano in particular), and the students who helped us prepare this book by participating in the school's activities.
